jKNIX is..

Inspired by the idea that no woman should have to choose between **comfortable** and **sexy** when it comes to knickers, jKNIX is a **unique** line of **approachable** intimate apparel and 24-hour wear. Our products are made in **California** with love. And each of our pieces is specially **designed** to complement the curvature of a woman's body.

The jKNIX Difference

- ♥ Our knickers feature **SewSmooth™** seam-less technology, a stitch-free revolutionary adhesive film that allows us to create sleek styles without the restriction of thread.
- ♥ We use the same superior fabric in different weights for all of the pieces in our line. When it comes to comfort, our **ultra-soft** material is unmatched.
- ♥ jKNIX styles are also **quick drying** and **wrinkle-free**, making them the perfect travel companions.
- ♥ We intentionally designed the line so women can **mix and match** intimates and layer jKNIX apparel with ease.
- ♥ jKNIX pieces come in tons of **crushworthy colors**, with new hues scheduled to debut every few months.
- ♥ The jKNIX line also includes **24-hour wear**—versatile apparel that will work for every part of a busy woman's life, from the office to the gym to a date.
- ♥ Our styles **stretch and move** with women, so they can say goodbye to the dreaded muffin top and visible panty lines.
- ♥ Women can also take our apparel from **day to night** simply by switching out shoes and accessories.
- ♥ With products that stretch up to 2 inches, the jKNIX line has **versatile sizing** that allows retailers to sell through all sizes more easily.
- ♥ The jKNIX line gives women the freedom to **look amazing** and **feel sexy**—all without sacrificing comfort.

A raw edge creates a cool vibe.

A built-in shelf bra means enough support for a workout.

Can you say endless layering options?

jKNIX stands for EVERY WOMAN. Beauty is not simply worn—it's an extension of mind, body, and spirit. We look good when our desire is the greater good around us. And we gain independence when we have the support of others. It's who lifts us up and how we lift up others that matters—that delivers confidence in self. It's these attributes—knowledge, independence, and confidence—that lead to true beauty. It's these things that allow our inner sexy to shine.

We believe every woman has the right to feel beautiful, comfortable, confident, and sexy.
